

Academy Conference

12th & 13th November 2021

Academy Conference

12th November 2021

Morning programme scientific presentations

09.00-10.00 Registration

10.00-10.15 Introduction Science Director IAMMM

Prof. Jacob Patijn, MD, PhD / University of Maastricht / The Netherlands

10.15-10.30 Welcome by the Dean of Padua University

Prof. Raffaele De Caro, MD, PhD, Faculty Dean / University of Padua / Italy

10.30-10.45 Present and Future activities of IAMMM, AEB Chairman

Prof. Olavi Airaksinen, MD PhD / University Eastern Finland and Kuopio University Hospital / Finland

10.45-11.15 Coffee/Tea Break

11.15-11.30 IAMMM Science Policy

Prof. Jacob Patijn, MD, PhD / University of Maastricht / The Netherlands

11.30-12.30 Keynote lecture: Peripheral and central sensitization in chronic pain

Prof. Andrea Porzionato, MD, PhD / University of Padua / Italy

12.30-13.45 Lunch

SESSION 1

SESSION 2

Afternoon programme scientific presentations

13.45-14.00 The scientific background of "Perceptive Surfaces Diagnosis

Prof. Ennio Spadini, MD / Filippo Neri Hospital Rome / Italy

14.00-14.15 The effect of ageing of the intramuscular connective tissue

Prof. Dr. Carla Stecco, MD, PhD / University of Padova / Italy

14.15-14.30 Functional disorder and functional medicine: an update

Dr. Kay Niemier, MD / Schmerz- und Rückenzentrum, Hagenow / Germany

14.30-14.45 Fascial alterations in hip osteoarthritis: immunohistochemical characterization of fascia lata in healthy and pathologic subjects

Dr. Ilaria Fantoni, MD, PhD / University of Padua / Italy

14.45-15.00 Shock waves effects on fascial tissue

Prof. Dr. Caterina Fede, Biol., PhD / University of Padua / Italy

15.00-15.15 Myofascial trigger points treatment with extracorporeal shock waves: a novel approach for plantar fasciitis

Dr. Federico Giordani, MD, PhD-student / University of Padua / Italy

15.15-15.45 Coffee/Tea Break

15.45-16.00 The MM-Pathway to Brussels: Evidence and Diplomacy

Prof. Hermann Locher, MD / Tettng / Germany

16.00-16.15 Developments of International Basic Documents of MM Medicine

Dr. Bernhard Terrier, MD / Baden / Switzerland

16.15-16.30 University Master Manual/Musculoskeletal Medicine: is it feasible?

Prof. Jacob Patijn, MD PhD / University of Maastricht / The Netherlands

16.30-16.45 Structural History taking in patient with musculoskeletal problems

Dr. Wim Jorritsma, MD, PhD / Paterswolde / The Netherlands

16.45-17.00 Teaching uncertainty in medical undergraduate training

Dr. Jens Foell, MD PhD / Imperial College, London / United Kingdom

17.00-17.15 Pause

17.15-18.15 Academy Annual General Meeting: only for Academy Members

20.00 Academy Dinner for all Conference participants

SESSION 3

SESSION 4

Academy Conference

13th November 2021

Morning programme scientific presentations

- 08.30-08.45** Patellofemoral pain syndrome: efficacy of combining muscle strengthening and Fascial Manipulation according Stecco-method as compared to only muscle strengthening
Julie Ann Day, PT / University of Padua / Italy
- 08.45-09.00** Clinical Application of Perceptive Surface Diagnosis and preliminary results
Prof. Ennio Spadini, MD / Filippo Neri Hospital Rome / Italy
- 09.00-09.15** The princess and the pea - Comparison of different stiffness assessment technologies on a multi-layered phantom tissue model
Prof Dr Robert Schleipp, Biol., PhD / Technical University of Munich / Germany
- 09.15-09.30** Artificial Intelligence Approaches for Low Back Pain: towards new frontiers of rehabilitation
Lorenza Bonaldo, PT, PhD-student / University of Padova / Italy
- 09.30-09.45** Evidence-Based Manual Medicine: results of a systematic review
Prof. Lothar Beyer, MD PhD / University of Jena / Germany
- 09.45-10.00** International facet joint treatment: evidence-based guidelines?
Prof. Dr. Maarten van Eerd, MD PhD / University of Leiden / The Netherlands
- 10.00-10.30** **Coffee/Tea Break**

- 10.30-10.45** Alteration of Glisson's capsule matrix thickness and composition in cirrhotic patients
Prof. Dr. Caterina Fede, Biol., PhD / University of Padua / Italy
- 10.45-11.00** Anatomical Validity of a reproducible cervical segmental diagnostic pain procedure
Prof. Dr. Maarten van Eerd, MD PhD / University of Leiden / The Netherlands
- 11.00-11.15** Extending the straight leg raise test: reliability and diagnostic performance
Dr. Janne Personen, MD, PhD / University Eastern Finland and Kuopio University Hospital / Finland
- 11.15-11.30** Diagnostic value of ultrasound of fascia
Dr. Carmelo Pirri, MD, PhD-student / University of Padua / Italy
- 11.30-11.45** Validation of the pendulum test in the assessment of muscle tone in persons with cerebral palsy
Prof. Marinko Rade, MSc Orth Med, PhD, MBA / Juraj Dobrila University Pula / Croatia
- 11.45-12.00** Fascia manipulation according the Stecco method in a patient with "Notalgia Paraesthetica": a case report
Dr. Kobi Weiss, PT, PhD / University of Padua / Italy
- 12.00-12.15** Iatrogenic chronic pain: a case presentation
Dr. Kay Niemier, MD / Schmerz- und Rückenzentrum, Hagenow / Germany
- 12.15-13.15** **Lunch**

Afternoon programme scientific presentations

- 13.30-13.45** Effect of instrument assisted soft tissue mobilization on hydration content in lumbar myofascial tissues
Prof Dr Robert Schleipp, Biol., PhD / Technical University of Munich / Germany
- 13.45-14.00** Women UP - Randomized Controlled Trial (RCT): Global overview
Prof. Olavi Airaksinen, MD PhD / University Eastern Finland and Kuopio University Hospital / Finland
- 14.00-14.15** Fascial Manipulation technique in the conservative management of Morton's Syndrome: a pilot study
Stefano Giacomini, PT / University of Padua / Italy
- 14.15-14.30** The twofold role of the infrapatellar fat pad in osteoarthritis: an active player and a target
Stocco Elena, PhD-student / University of Padua / Italy
- 14.30-14.45** Manual/Musculoskeletal Medicine in Notalgia Paraesthetica: a topical review
Dr. Kobi Weiss, PT, PhD / University of Padua / Italy
- 14.45-15.00** MR T1ρ mapping for myofascial pain diagnosis
Prof Dr Antonio Stecco, MD, PhD / New York University School of Medicine / USA
- 15.00-15.10** **Closing Remarks Academy IAMMM Science Director**
Aperitif

SESSION 5

SESSION 6

SESSION 7
